

STATE OF MARYLAND

FREDERICK COUNTY:

I Joseph Lerner M.D. being duly sworn according to law, depose and say:

THAT, I am a duly qualified and licensed practitioner in the State of Maryland, having practiced my profession for the last 5 years in the State of Maryland.

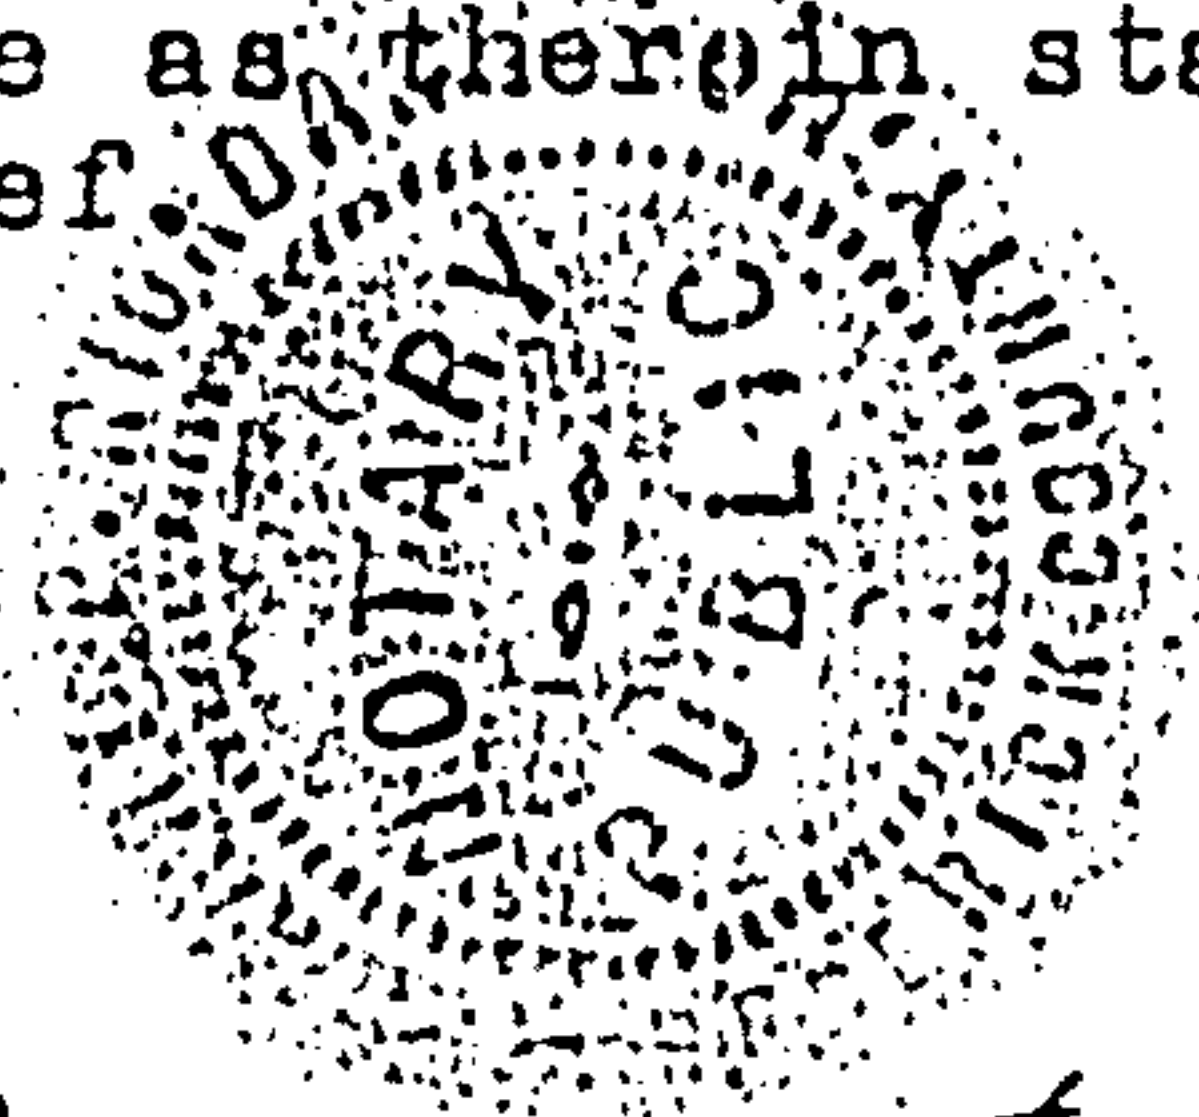

THAT, in the course of professional practice I have examined and treated Margaret Doll Jones, and I last examined her on the 3 day of June, 1958, at which time I found her suffering from marked impairment of Judgement, reasoning and insight. Memory is defective. Advanced Arteriosclerosis of the Brain.

THAT, I am satisfied from the opportunity thereby afforded me of judging her condition, that the said Margaret Doll Jones is of unsound mind and incapable of the government of herself, and management of her estate: And in my opinion this condition was caused by Arteriosclerosis of the Brain, advanced.

THAT, the said Margaret Doll Jones is totally disabled as the result of this mental condition and that the said condition in my opinion probably will continue for remainder of her life.

AFFIDAVIT:

Personally appeared before me the subscriber, a notary public in and for the State and County aforesaid, this 3rd day of June, 1958, Joseph Lerner M.D., who made oath in due form of law that the matters and facts set forth in the foregoing deposition are true and bona fide as therein stated to the best of his knowledge, information and belief.
